

**JOB TITLE**

Licensed G2 Gas Fitter / HVAC Technician

**LOCATION**

Greater Sudbury, ON

**COMPANY**

MGD Electric LTD

**ABOUT US**

MGD Electric LTD is an award-winning provider of electrical services, dedicated to delivering quality workmanship and exceptional customer service to residential, commercial, industrial and mining clients in the City of Greater Sudbury and Blind River areas. We take pride in our reputation for reliability, professionalism, and integrity. Now, building upon our success and expertise, we are excited to announce the expansion of our services to include HVAC and plumbing solutions.

**JOB DESCRIPTION**

We are currently seeking a skilled and certified G2 Gas Fitter/HVAC Technician to join our team. In this role, you will be responsible for installing, maintaining, and repairing gas and HVAC systems in residential and commercial settings. Your expertise in both gas fitting and HVAC will ensure the safety, efficiency, and comfort of our clients' environments.

**RESPONSIBILITIES**

- Install, inspect, and repair gas lines, meters, regulators, and appliances.
- Perform maintenance and repair tasks on HVAC systems, including heating, cooling, and ventilation equipment.
- Diagnose and troubleshoot issues with gas and HVAC systems and provide effective solutions.
- Conduct pressure tests, leak checks, and performance evaluations to ensure system integrity and efficiency.
- Follow safety protocols and adhere to relevant codes and regulations for gas fitting and HVAC work.
- Communicate professionally with clients to address their concerns, explain work performed, and provide recommendations for system improvements.

- Maintain accurate records of work performed, materials used, and service history for client systems.

### **REQUIREMENTS**

- Valid G2 Gas Fitter certification.
- HVAC Technician certification or equivalent experience.
- Proven experience in gas fitting and HVAC installation, maintenance, and repair.
- Strong knowledge of gas systems, HVAC systems, components, and troubleshooting techniques.
- Ability to read and interpret blueprints, schematics, and technical manuals.
- Excellent problem-solving skills and attention to detail.
- Effective communication and customer service skills.
- Valid driver's license and clean driving record.

### **BENEFITS**

- Competitive salary based on experience and qualifications.
- Health, dental, and vision insurance.
- Paid time off and holidays.
- Opportunities for professional development and advancement.
- Company-provided vehicle and tools.

Join our team and play a key role in delivering exceptional gas fitting and HVAC services to our valued clients. If you meet the requirements and are passionate about ensuring safety, efficiency, and comfort in gas and HVAC systems, we'd love to hear from you!

### **HOW TO APPLY**

Please submit your resume and cover letter outlining your relevant experience and qualifications to [HR@mgd-electric.ca](mailto:HR@mgd-electric.ca). We look forward to reviewing your application!
